Visit the Cunningham Café in Building 3 for great food and beverages.

The Regency style dwelling, which is home to the RMSC's administrative offices, was originally constructed in 1880 and purchased by the Cunninghams in 1916. A wing was added to the house to serve as Mrs. Cunningham's studio—as she was a professional artist and patron of the arts. It is fitting that the studio doors be open to visitors during the three-day art event at the Museum.

Happy Holidays!
