HEALTH INFORMATION: ALLERGIES, MEDICATION, AND EXTRA SUPPORT

Curiosity Camps strives to provide an accessible and safe environment for all campers. If your camper has a medical condition, severe allergies, dietary restrictions, or a disability, please note this information during registration. Camp Administration may contact you if there are questions or concerns regarding the successful accommodation of your camper.

Disabilities and Extra Support

Curiosity Camps strives to provide an accessible and safe environment for all campers. If your camper has a disability or needs extra support, please let us know during registration and provide details/suggestions on how we can assist your child in having the best possible experience with us.

Please note that RMSC Curiosity Camps cannot provide 1:1 aides. Campers will be in groups of approximately 15 campers, with a staff to camper ratio of approximately 1:8. If your camper has a 1:1 aide or receives extra support during the school year, please contact [Camp Administration](#) before registering for more information about the structure of our camp program.

Allergies

If your camper has an allergy, let us know during registration (make sure to tell us what they're allergic to). Medications needed in an emergency (e.g. inhalers, EpiPens, Benadryl, etc.) are kept with the camper's instructor at all times during the day. See below for instructions on how to send your camper with medicine.

Medication at Camp

If your camper will need to take any medication (including EpiPens and inhalers) at camp, it must be brought to camp in the original container and be accompanied by [this form](#) from the camper's parent/guardian that includes the following.

The above form must accompany the medication to camp and be reviewed with a Camp Administrator; please do not send in advance.

Vaccinations

As of 2019, all campers must be vaccinated. Please note that New York State Law does not allow for religious exemptions. Contact [Camp Administration](#) if your camper has a medical exemption.

BEHAVIOR GUIDELINES

In order to provide all campers and staff with a positive and safe experience, it is important that all campers exhibit proper behavior and self-control and act respectfully at all times. Behaviors that are not tolerated at camp include but are not limited to the following: name calling, bullying, fighting, foul language, reckless endangerment, unsafe use of equipment, leaving the group

without permission, physical violence or fighting of any kind, stealing or damaging property, and other disrespectful actions.

As necessary, Curiosity Camps will take the following action steps to manage behavior incidents and/or chronic behaviors as problems arise and progress.

1. Camp Staff will address inappropriate behaviors and will redirect the camper to more appropriate behavior. Concerns will be shared with the caregivers of the camper(s) involved during Pick-Up at the end of the day.
2. If inappropriate behavior continues and is affecting the experience of other campers, the camper will be referred to Camp Administration. Camp Administration will contact caregivers to inform them of inappropriate behaviors and discuss possible solutions.
3. If inappropriate behavior continues, caregivers will be contacted to pick up the camper immediately, and the camper will be suspended from the remainder of the day (and possibly week). Depending on the severity of the behavior, the camper may be dismissed from all future programs at the RMSC.
4. Curiosity Camps has a zero-tolerance policy for physical violence and behaviors involving the endangering of self, staff, and other campers. These behaviors will result in disciplinary action, including immediate dismissal from the camp program for the rest of the camp day and/or week.

Regardless of previous concerns or action steps taken, Camp Administration reserves the right to immediately dismiss a camper from current and future camp sessions at any point for conduct that is deemed detrimental to the well-being of other campers and staff or to the overall operation of the camp. Refunds will not be given (for current or future camp sessions) if campers are dismissed from Curiosity Camps programs due to behavioral reasons.
