Rochester Museum & Science Center
JOB DESCRIPTION

Job Title:            Career Ladder Discovery Guide
Department:          Education
Direct Supervisor:   Floor Experience Coordinator(s)
FLSA Status:        Non-Exempt
Full-time/Part-time:  Part Time
Date Prepared/Revised:  7.12.2021

I. SUMMARY
Discovery Guides are members of our Career Ladder team, which ensures visitors get the most meaningful Museum experience by providing a welcoming atmosphere, knowledgeable engagement, wayfinding assistance, safety, and security. Discovery Guides must be between the ages of 16 and 22 at the time of hire and should have an interest in the museum field, education, STEM, child care, arts and culture, and/or customer service.

Discovery Guides are responsible for providing fun and safe learning experiences for RMSC's diverse audiences through direct visitor engagement. They provide excellent customer service while assisting in the delivery of programming, performing pop-up science and technology demonstrations, and monitoring exhibit galleries for cleanliness and safety. Successful interactions with Discovery Guides will lead visitors toward a fundamental understanding of science and technology, the natural environment and our region's cultural heritage - and a curiosity to learn more!

Lastly, Discovery Guides will implement and provide feedback for continual improvement of guest interaction and educational programming in RMSC's exhibit galleries.

II. ESSENTIAL DUTIES AND RESPONSIBILITIES
- Interact with Visitors and Groups within exhibit galleries
- Train on and perform interactive visitor experiences such as Science Encounters, technology demonstrations, Inventor Center, and public programming
- Monitor exhibit galleries for cleanliness, proper exhibit usage, and safety
- Routine check of exhibits and reporting maintenance needs
- Learn to facilitate interactive exhibit experiences that require staffing for temporary featured exhibitions
- Attend regular staff meetings and training sessions

III. COMPETENCIES
Informational/Technical:
Appropriate use of radios, internet, intranet, email, paging system, payroll system, and computer systems.

Occasional use of laptops, tablets, and desktop computers for work-related purposes.
Ability to use or willingness to learn technology devices such as 3D printers, virtual reality headsets, coding robots, and more.

**Communication:**
Ability to communicate effectively, politely, professionally, and comfortably with all guests and staff.

Must communicate with supervisors regarding schedule, availability, and important updates via email. A personal email address is a requirement as this is our main form of communication for work-related matters.

**Decision Making and Reasoning Ability:**
Must be dependable, organized, and able to adapt to changing demands and environments; the ability to apply common sense and understanding to carry out instructions delivered in written or verbal form. Ability to maintain confidentiality.

**Time Management:**
Must arrive on time for all scheduled shifts and meetings. Must be able to plan ahead by submitting regular availability to supervisors for bi-weekly calendars. Career Ladder candidates must be able to effectively transition between multiple duties during their shifts.

IV. **QUALIFICATIONS**
No education requirements, but ideal candidates for Career Ladder will at least have an interest and basic knowledge of general science topics, technology, engineering, history, humanities, and/or cultural studies. This is intended to be an entry level position in the museum field through which you will acquire valuable career skills, discover new interests, and explore options for education, apprenticeships, and career opportunities in a variety of education, non-profit, and STEM-related fields.

Career Ladder candidates must be between the ages of 16 and 22 at time of hire.

V. **PHYSICAL REQUIREMENTS**
The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations will be made to support individuals with disabilities.

Must be able to travel throughout the Museum’s exhibit galleries to engage with visitors and perform other job requirements. May be required to stand for extended periods of time and occasionally lift up to 20 lbs.

VI. **WORK ENVIRONMENT**
While performing the duties of this job, the noise level in the work environment is variable. Can be elevated during periods of high visitation.

VII. **APPROVALS**
This job description reflects management’s assignment of essential functions and does not restrict management’s right to assign or reassign duties and responsibilities to this job at any time.

RMSC is committed to creating a diverse environment and is proud to be an equal opportunity employer. This policy expressly prohibits discrimination on the basis of sex, race, color, religion, creed, national origin, age, marital status, sexual orientation, disability, genetic predisposition, gender identity or expression, carrier status, domestic violence victim status, veteran status, or status as a member of any other protected group or activity.
