

# Parental Consent Form

## Volunteer Services at Rochester Museum & Science Center

Parent or Guardian of:

---

Please return the signed form to your child, who is under 18 years of age, so that s/he can include your consent as part of the application for a volunteer position at the Rochester Museum & Science Center (RMSC). S/he will not be able to be considered for volunteering until this form is received by the RMSC.

By signing below, I understand that my child is applying for a volunteer position at the RMSC, and I do not anticipate any reason why my child cannot participate in this program. I will coordinate with my child regarding transportation and will communicate to the museum if a problem arises regarding transportation. I will also contact the volunteer coordinator at [volunteers@rmsc.org](mailto:volunteers@rmsc.org) or 585.271.4552 x331 if my child is not able to continue volunteering for any reason.
