Behavior Guidelines & Discipline Policy

In order to provide all campers and staff with a positive and safe experience, it is important that all campers exhibit proper behavior, self-control and act respectful at all times. Behaviors that are not tolerated at camp include, but are not limited to; name-calling, bullying, fighting, foul language, reckless endangerment, unsafe use of equipment, leaving the group without permission, physical violence or fighting of any kind, stealing or damaging property, and other disrespectful actions.

When a camper does not exhibit proper behavior, Curiosity Camps will take the following action steps to manage behavior incidents and/or chronic behaviors as problems arise and progress.

1. Camp Staff will address inappropriate behaviors and will redirect the camper to more appropriate behavior. Concerns will be shared with the parents/guardians of the camper(s) involved during Pick-Up at the end of the day.
2. If inappropriate behavior continues and is affecting the experience of other campers, the camper will be referred to Camp Administration. Camp Administration will contact parents/guardians to inform them of inappropriate behaviors and discuss corrective solutions.
3. If inappropriate behavior continues, parent/guardians will be contacted to pick up the camper immediately and the camper will be suspended from the remainder of the day and/or days of camp.

Depending on the severity of the behavior, the camper may be dismissed from all future programs at the RMSC.

4. Curiosity Camps has a zero- tolerance for physical violence, leaving the group without permission, and behaviors involving endangering of self, staff, and other campers. These behaviors will result in immediate dismissal from the camp program.

Regardless of previous concerns or action steps taken, Camp Administration reserves the right to immediately dismiss a camper from the current and/or future camp sessions at any point for conduct that is deemed detrimental to the well-being of other campers, staff, or to the overall operation of the camp.

Refunds will not be given (for current or future camp sessions) if campers are dismissed from Curiosity Camp programs due to behavioral reasons.
