## Science Alive Programs

### Electricity Theater

*Location: Museum's 3rd Floor*

Featuring two six-foot Tesla coils, this musical  
electricity show is a must-see! Our Electricity  
Theater amazes visitors as arcs of lightning light  
up the theater to the sounds of their favorite  
tunes.

### Science Encounters

*Location: Museum 1st Floor*

Step right up to our cart of science  
and learn about physics, chemistry,  
nanotechnology, and everything in between!

### Science On a Sphere

*Location: Museum's 2nd Floor*

Watch as real-time Earth system and planetary  
science data come to life on our 'floating' five-foot  
Science On a Sphere

**Science on the Edge:  
The Marvelous Martha  
Screening and Q&A  
Tuesday, June 21, 2022  
6:30pm - 9pm**

Harper's story is an inspirational tale of how one  
individual can overcome the odds and make use of  
hardships to create a legacy that touches  
generations. Discover how Harper freed herself  
after 25 years of servitude. In this stellar  
documentary, learn how she capitalized on that  
servitude and her Rapunzel-like hair to launch the  
first modern retail chain of over 500 beauty shops  
around the world!

**MESS-tival is back!  
Monday, June 27 - Friday, July 1, 2022  
11am - 3pm**

Come celebrate the start of summer with us at the  
RMSC with the return of MESStival--a festival of  
messy fun! Join us for a slime-tastic time as we  
make the biggest mess in town with science  
experiments that are slimy, fizzy, bubbly and silly.  
Make and take home a batch of summer slime, try  
your hand at painting with fizzy bubbles, launch  
your own rocket powered by pressure and then  
help us "clean-up" and play in the mud! Be sure to  
dress for a mess and we'll do the rest!
