Does a woman shop as hard for a savings account as she does for 5c off on a can of peas?

Don't be mistaken. We held the money managing ability of you ladies in one. But we suspect there are certain things about savings accounts that you can learn.

For instance; if you draw on your savings several times a year, you definitely need the flexibility provided by a Lincoln Rochester Saving Account.

Say you have $1000 in your account on December 1, when the quarter starts. Things are going along smoothly when all of a sudden you take out a $200 slice to buy some new curtains on February 15, right before the end of the quarter. Does this mean you have lost your interest on the $200 for the entire quarter...after all that time?!?

Not at Lincoln Rochester. Lincoln Rochester pays you full interest on that $1000 for every single day you have it on deposit, right up to the very day of withdrawal. That's 17 days from December 1 to February 15. And for those remaining 13 days you get paid full interest on your $800.

The savings that add up in a year can amount to enough canned peas to feed an army.

Come in and we'll give you more of the particulars of a Lincoln Rochester Savings Account. We don't even ask that you bring this ad with you.

My Dear Mr. Carpenter:

Thirty years ago, about 1936, I was Field Director at the Rochester Housing Survey as I feel that I have some acquaintance with my city. Besides that I worked in the Committee of 500, I was a Tax or Rent Collector. I also spent six months in Germany in 1931 working as an occupational analyst with the Displaced Persons Commission. The last ten years have been both President and Chief Bill Collector for the Credit Reporting Bureau, Inc. I also have lived in several states both in cities and suburbs. I think I am as horizon-minded as any. When I graduated from Monroe High in 1929 (about a hundred years ago) I had classmates who were Negroes. In fact one family lived a couple of blocks away. These Negroes were star athletes so that I knew that Negroes were not portrayed in some soccer and baseball in Fullilove's mail- panicakes, singing along the blues in their kitchens or River Boys as in the Madison River Delta. Negroes at Father Simon's Church or Plymouth Liquor Store, PLYMOUTH LIQUOR STORE, PLYMOUTH LIQUOR STORE, 351 Plymouth Ave., S., Between Adams and Tremont, Phone 546-8531.
