You won't be snowed under by big winter heating bills if you sign up this month for RG&E's 10-Month BUDGET BILLING PLAN

More than half the fuel required to heat your home for a year is used in December, January and February. Obviously, heating bills will be higher following these peak periods and lower in Fall and Spring when you use less fuel.

If you heat with gas or electricity, and it would be more convenient for you to spread these payments equally over ten months, you can, simply by returning the coupon below. Your budget payments would then begin the following September bill.

It costs you no more, or no less, over the entire year to be billed on the Budget Plan than it would to be billed each month for the fuel you actually used.

**Top ABC Panel To Study Firings**

**ROCHESTER DEMOCRAT AND CHRONICLE**

*Friday, September 29, 1967*

The executive committee of the ABC newspaper chain has announced that it will convene a special meeting to study the firing of its executive director, Mr. William Woods, Monroe County Social Welfare. The meeting will commence at 7:30 sharp. May we remind you at this time of the board's decision, that Mr. Woods has had his request for the board's consent to the firing of Mr. Woods denied. The meeting will be held in the board's meeting room at 7:30 sharp.

Mr. William Woods, Monroe County Social Welfare, has been able to give the board the facts of the matter. The board could not find a quorum. Mrs. Louise Scott, present. The board has turned the matter over to the executive committee in advance each time it has been unable to act. I'm probably been one of the people regular attending on the board since it was set up.

Dear Neighborhood Group:

I am writing to inform you of my resignation from my position as Acting Executive Director of the Action For A Better Community, Inc. (ABC). This decision has not been an easy one for me. I have worked for the ABC for almost two years, and I have deeply valued the opportunity to work with so many dedicated individuals in the community.

However, after careful consideration, I have decided to move on to other pursuits. While I am sad to leave, I am also excited about the prospects of new opportunities. I want to thank you all for your support and encouragement during my time with the ABC.

I am asking the members of the Board of Directors to consider my recommendation that I be appointed Acting Executive Director of the ABC Community Organization. I believe that I can continue to make valuable contributions to the organization and its mission.

I am also requesting that the Board of Directors approve my resignation and take the necessary steps to select a new Executive Director. I am confident that the Board will make the right choice for the organization.

I want to express my gratitude for the work we have done together and for the support you have given to the ABC. I am hopeful that the organization will continue to grow and thrive in the future.

Sincerely,

[T. M. Mitchell]
Acting For a Better Community, Inc.

MEMORANDUM

To: Members of the Executive Committee
From: T. M. Mitchell, Acting Executive Director

In order to convey the ABC Community Organization's current condition to the membership, I have written the attached letter.
"In July, 1853 a great convention was held here in Rochester, which was held mainly for the free Afro-Americans from all over the North and free in the North. Frederick Douglass took a place of honor among them. The Afro-Americans were thus united. The Hiram Baker Society, founded by WOMAN'S CAUCUS, took an important part in the assembly. The building of a School for Manual Labor was the desired goal of the convention. Frederick Douglass' had a plan for the FREE AFRO-AMERICANS, it was to embark on such a program. The proposed BUDGET has been set for the building of a manual labor school and later add other courses to the curriculum, however, Mrs. Stowe failed to get a commitment. Beecher Stowe, author of UNCLE TOM'S CABIN, attended the Church of the Brethren near Rochester and for meetings of community groups for similar purposes.

Mrs. Holoman was also a member of the U. S. Army in Ft. Monmouth, N.Y.; other relatives are:

- Rosalind J. Jones
- Thomas J. Jones of Rochester; Sgt. Major Edison J. Jones
- Anthony J. Jones
- Geraldine J. Jones
- Mrs. Lue H. Holoman, a member of the FUND, to be used in the building of this great institution in honor of Frederick Douglass. A meeting will be held in the near future. Our NEXT... ANNOUNCEMENT WILL BE OUR FULL-SIZE PRINTERS & OFFICERS.

Mrs. Holoman was also a member of Rose Memorial Fellowship, Army-Navy Union Auxiliary #274, and a Charter member of Empire State Federation of Womens Clubs, Inc. (Buffalo Region).

Space was provided for the construction of the Second Ward on Cady Street near the site of the new building.

HICKORY NEWS

Mrs. Esther Granston, Mrs. Bethay, the Democrat & Chronicle news reporter, along with the Housing Aides and myself, visited many boarded up houses in order to get their complaints concerning this situation.

I have been working with a young woman who has five children. If she cannot find a decent place to live she will have to return home and live with her parents. She said she would rather die than to go down that road again.

We have helped a few to find apartments but so many more need this help too. Since this is our community, something will be done soon and I mean about what we need.

Mrs. Tut and myself went out to the community getting addresses of houses for sale and information concerning them. Mrs. Bethey will put the listings in the bulletin board for anyone interested in buying a home.
