THE NON-VIOLENT COMMITTEE OF THE GHETTO LEAGUE

ROCHESTER, NEW YORK

**MANIFESTO**

The Wealth of a Nation is its glorious names and the story of their patriotic deeds. A city's great dead is a treasure that is incorruptible and continually active for good. The Shrine of the great Susan B. Anthony and the Revered Frederick Douglass in time to come will bare mute witness to the reward of uprightness and unselfish devotion to the cause of right. This is why it is well for this city that these great patriots are buried here.

Therefore, lest we forget, we must ever be reminded that we must carry on the work of these intrepid souls in behalf of Justice, Progress and Love.

During the month of August, the League will picket the following places of business: The Genesee Brewing Co., Saint Paul Street and Zep Company, 39 Monroe Midtown Offices, Midtown. There are others on the list, which are part of the "Survey of the Ghetto" and its environs. This "Survey" will reveal the divisive attitudes of these companies when it comes to dealing with "Black Business" and individual blacks that happen to be "Native Sons of Rochester."

Typical finding concerning the Genesee Brewing Co. reveals that our investigators covered 110 Taverns, two-thirds are owned and operated by black businessmen, the rest are owned by other peoples whose patronage is largely black, yet our people found that Genesee Brewing Co. hired very few "Blacks" in any capacity. They have consistently avoided doing business with blacks, yet their product (A Local) beer gets a great play over the bar and in the super markets.

The "Survey of the Ghetto," reads like modern fiction: however its not fiction by any means. For instance, Rochester Jobs, Inc., which is composed of the cream of local business people, plus (3) large Federal Agencies: namely, C.E.P.-S.B.A. (Jobs Program), [Small Business Assoc.] and added to this a few days ago another large appropriation was awarded to the Rochester Board of Education by the Federal Government, which was to assist and benefit the various drop-outs in the area. This program will be administered jointly by the Rochester Board of Education and Rochester Jobs, Inc., as long as the funds last.

A few blacks receive large salaries, but the masses of the black youths benefit at the rate of $1.50 per hour and at $2.50 per hour, possibly for those few who serve in a supervisory capacity. The man calling the "Shots" here and attempting to "Direct" the "Black Community" is Mr. Edward Croft, who rules with an iron hand.

The "Survey of the Ghetto" will continue and the findings of the committee will be brought out each week and given to the general public. Plans are now underway for the publication of these findings in pamphlet form and will thereafter be distributed to the peoples in the "Bottoms" and their friends.

**THIS ADVERTISEMENT HAS BEEN PAID FOR BY THE ABOVE NAMED COMMITTEE. FINANCIAL CONTRIBUTIONS TO THE ABOVE ORGANIZATIONS WILL BE ACCEPTABLE AND WILL BE USED IN THE PUBLICATION OF THE PAMPHLET. YOU MAY SEND THEM IN CARE OF THIS PUBLICATION, WE WILL SEE TO IT THAT THE ABOVE NAMED COMMITTEE RECEIVES WHATSOEVER FUNDS THAT COME VIA THIS NEWSPAPER."**
