ROC2024
TOTAL SOLAR ECLIPSE

ROC THE ECLIPSE FESTIVAL

Saturday, April 6, 10am-5pm
Sunday, April 7, 10am-5pm
Monday, April 8, 9am-5:30pm

Come join us for a weekend of fun, and exciting events in our countdown to the eclipse.

The total solar eclipse on April 8, 2024, is the last opportunity for large segments of our country to experience a total solar eclipse until 2045. Rochester, NY, sits in the center of the path of totality. It's the place where you and your family will want to be!

We'll have something for everyone all three days:

- Planetarium shows.
- Live stage entertainment lineups.
- Electricity Theater shows.
- Activities and programs in our lab spaces.
- Science on a Sphere programs.
- Outdoor telescopes and outdoor viewing safety.
- Post eclipse concert.

And MUCH MORE!

Science Alive Programs

Electricity Theater

Location: Museum's 3rd Floor

Featuring two six-foot Tesla coils, this musical electricity show is a must-see! Our Electricity Theater amazes visitors as arcs of lightning light up the theater to the sounds of their favorite tunes.

Science Encounters

Location: Museum 1st Floor

Step right up to our cart of science and learn about physics, chemistry, nanotechnology, and everything in between!

Science On a Sphere

Location: Museum's 2nd Floor

Watch as real-time Earth system and planetary science data come to life on our 'floating' five-foot Science On a Sphere
